

## “CASI international pass ”

CASI international pass "is the internationalization sector that offers first orientation services, information and assistance on issues related to foreign trade. Both companies that have already undertaken commercial relations with other countries and those willing to do so, will find in the ASI Consortium of Salerno an attentive and competent interlocutor, who thanks to the synergy with the wealth of information of the other institutions that support Italian exports (i Competent ministries, the Regions, the ICE-Agency, SIMEST and SACE), is able to respond promptly to any question on the subject.

Through the "CASI international pass" desk and the use of the email address [casesinternationalpass@asisalerno.it](mailto:casesinternationalpass@asisalerno.it) (pending the activation of a specific web platform) it is possible:

- Have access to information on countries and markets, economic sectors, international regulations and market trends;

Obtain information on the formalities to open an import-export company and on the steps to take to undertake an international commercial operation, on the principles of international marketing essential for building an adequate strategy, and you will be able to know the level of exportability of the products;

- Request specialized assistance on certification, customs, tax and insurance procedures; international regulations; dissemination of programs and calendars; incorporation of companies abroad, international contracts; international and EU funding, information on the opportunities offered by Simest and Sace;

- Know the regulations and provisions on the documents needed to export, international conventions, certificates, visas and all the documents necessary to undertake business relations with abroad.

- Consult the list of promotional initiatives such as missions, participation in trade fairs and special initiatives undertaken inside and outside the Chamber system.

- Access a free consultancy service, to obtain personalized answers on the most complex questions raised in the course of transactions with foreign countries. In this case, the manager will provide a dedicated response within 3 days.
